

THE FISHER VALLEY COLLEGE  
TAGUIG CITY

**FINAL EXAMINATION IN UNDERSTANDING CULTURE, SOCIETY, AND POLITICS**

**1<sup>st</sup> Semester, A.Y. 2023-2024**

1. Among the different aspects of culture, select one (1) and discuss. Cite an example how it is demonstrated in our society.
2. One of the goals of Political Science is for you to understand civic skills and humane ideals. In your own way, how will you use your knowledge in politics to achieve this goal?
3. Select one (1) province in our country and discuss its unique cultural practices which cannot be seen or are not being practiced in other parts of the Philippines.
4. One of the lasting issues that multicultural countries face is racism and discrimination. Even in the most developed countries like United States, this issue haunts them. If you are the president of that country, how will you address the issue of racism and discrimination to break cultural barriers?
5. Differentiate between subculture and counter-culture. Cite one (1) example for each one.
6. Discuss the four (4) biological capacity of human to develop culture.
7. Pretend that you belong to a particular in-group in your class. You noticed that one classmate from your class does not belong to any group. What would you do? Would you invite him to join your in-group? Why? Why not?
8. The Sangguniang Kabataan of your barangay approached your group in school to help them in the feeding program of the community. They also asked the help of the other groups from your school. What would you do to help the SK officials? Would you ask the out-groups to join you? How?
9. Think of a group that you belong to. How does this group influence you as a student?
10. Discuss the inter-relationships between culture, society, and politics.
